

HELLO PARENTS!

Please take a look at the calendar that is on the back side of this page as it is full of activities for your student.

As we turn to look at the spring/summer schedule there are a few things to keep you aware of.

The 8th annual Winter/Spring "Sprinter" Retreat in Chetek, WI is March 1st - 3rd. Please be praying for this retreat, that God would use it in the lives of the students and adults who go.

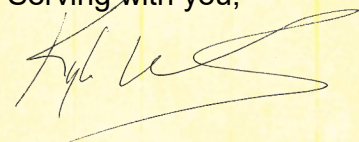

This summer we have 23 students and adults going to the LIFE national Alliance youth conference in Orlando, Florida, July 9th - 14th. Pray for this upcoming trip and for those who are going. If you want more information about this trip and how you can be praying, please contact me.

Another event this summer is the middle school missions trip, ENGAGE715, that is scheduled for July 31st - August 3rd. This is always a great experience for the current middle school students to be a part of and to help serve our community. Applications for this trip will be available in June.

Finally, we have a daily Bible reading plan for our youth students. Make sure you pick up a copy of this plan outside my office. It is great to be reading the Bible together as a youth group.

Please let me know if you have any questions about the spring activities and thanks for all your support of the student ministry!

Serving with you,

Kyle Wiens
